

# SABIS®

## Success Story

ISF

*Laura Kuder*

SABIS® is a global education network that operates on 4 continents serviced through two independent corporations headquartered in the U.S. and Lebanon. Schools in the SABIS® School Network operate in 15 countries and educate close to 65,000 students. Based on a proven proprietary system, SABIS® member schools provide students with a top-quality education that prepares them to meet the challenges of a changing world.

A member of the global SABIS® School Network, **ISF Internationale Schule Frankfurt-Rhein-Main (ISF)** opened its doors in 1995 and now, entering its 20<sup>th</sup> year in operation, serves ca. 1,000 students in K-12.

**This is the story of a student who has made the best of every opportunity at ISF. She is a positive role model for others and draws on a positive “can-do” attitude to expand her knowledge and understanding of the world beyond the classroom.**

Laura Kuder joined ISF as a KG2 student in 2001. During her 13 years at ISF, Laura has embraced every opportunity to help her grow into a well-rounded, mature, and responsible individual with a stellar academic record.

Laura thrived academically from her first day at ISF. Currently finishing Grade 12, she is predicted to earn top marks on her external exams and is exploring her options for university. *“As well as achieving excellent academic results, Laura is a clear leader and a great role model for the other students. We have all enjoyed working with her,”* says Dr. Vivian Strouza, ISF Upper Secondary AQC. Ms. Akrigg, Laura’s English teacher, adds, *“Laura is one of the most inspiring students I have met in my career so far.”* However, it is not just her academic performance that makes Laura stand out. Her contributions to the school through the SABIS Student Life Organization® (SLO®) also make her exceptional.

Committed to contributing to her school community, Laura is an active member of SLO®, where she developed and demonstrated impressive organizational and leadership abilities. Between grades 9 and 12, Laura advanced from Senior Prefect to Head Prefect. Reflecting on her SLO® involvement she observed, *“As Head Prefect, I got involved with all the departments and promoted a positive school spirit.”* In harmony with creating a positive school spirit, Laura participated in the annual ISF musical productions including “Footloose” and “We Will Rock You.” An accomplished sportswoman, Laura also represented ISF at tennis tournaments and won second place in the 2013 Germany International Schools Sports Tournament.

Laura did not stop at musical productions and sports. In Grade 11, she participated in the “Entrepreneurs of Tomorrow” competition and won second place for her business plan on a mobile App that helps users quickly find available parking places in parking garages. She also attended the Model United Nations Conference in Genoa, where she was involved in debates on disarmament and international security.

Laura was accepted to a number of top universities in the U.K. and U.S. She has decided to pursue a study in economics at the prestigious Wharton School at the University of Pennsylvania in the U.S. in the fall.
